

Addendum of Memorandum of Understanding
between
Sam Ratulangi University
and
Zoological Research Museum Alexander Koenig

Prolongation of the Memorandum of Understanding between Sam Ratulangi University (UNSRAT), Manado, Indonesia, and Zoological Research Museum Alexander Koenig (ZFMK), Bonn, Germany, signed in November 2013

The collaboration between UNSRAT and ZFMK is established since 2013 and has led to many joined projects (report from August 2017) in research and higher education. All activities have been performed in the frame of the MoU that was signed by both partners in November 2013.

Herewith both parties agree to prolong the agreement as outlined in the MoU from November 2013 in all aspects for another 5 years.

In agreement with both parties, the prolongation shall take effect from November 2018, and will be valid until November 2023.
