

AGREEMENT

FOR EDUCATIONAL AND SCIENTIFIC COOPERATION

between the

**CENTER FOR GLOBAL FIELD STUDY
UNIVERSITY OF WASHINGTON, USA**

and the

**THE FACULTY OF ANIMAL SCIENCE,
SAM RATULANGI UNIVERSITY, INDONESIA**

In accordance with a mutual desire to promote international cooperation between the United States and Indonesia, the Center for Global Field Study at the University of Washington (CGFS) and the Faculty of Animal Science at Sam Ratulangi University (FAPET) join in the following agreement for educational and scientific cooperation in the areas of global health and the environment.

Both Institutions will encourage direct contact and cooperation between their students, staff, and faculty members subject to the provisions of this agreement.

The CGFS and FAPET shall cooperate in fields of teaching, research, and outreach service to be agreed upon. Cooperation in other areas may be arranged by mutual memorandum.

Within the fields of cooperation to be mutually designated, both Institutions agree to the following general forms of participation:

1. Joint educational/training opportunities for students, staff, and faculty
2. Joint research activities (and publications) for students, staff, and faculty
3. Joint outreach service opportunities for students, staff, and faculty
4. Exchange of invitations to students, staff, and faculty for lectures, talks, and sharing of experience
5. Exchange of invitations to students, staff, and faculty to participate in conferences, colloquia and symposia
6. Exchange of information in fields of interest to both Institutions

Themes of joint activities and the conditions for utilizing the results achieved, property rights, and arrangements for specific visits, exchanges and other forms of cooperation will be negotiated for each specific case. The exchange of students, staff, and faculty will be operated in accordance with procedures mutually agreed upon by both Institutions.

Both Institutions understand that financial arrangements for all types of cooperation and exchange shall be negotiated on a case by case basis and will depend on the availability of funds. Funding of each activity will be terminated upon one year after this agreement.

It is understood that this agreement represents a statement of principles of the interaction between the Institutions and is not a legally binding document.

The Center for Global Field Study at the University of Washington and the Faculty of Animal Science at Sam Ratulangi University subscribe to the policy of equal opportunity and do not discriminate on the basis of race, sex, age, ethnicity, sexual preference, religion, national origin, or disability. Both Institutions shall abide by these principles in the administration of this agreement.

This agreement shall become effective upon the date of signature by the representatives of the Institutions and shall be reviewed for extension in five years. Either Institution may terminate the agreement by giving one month's written notice to the other institution.
